blaugelb Drawer pull PVC
The slimline solution on the balcony door.

- Elegant solution for the balcony door
- Practical clip-on cover for concealed screws

blaugelb Drawer pull PVC
The slimline solution on the balcony door.
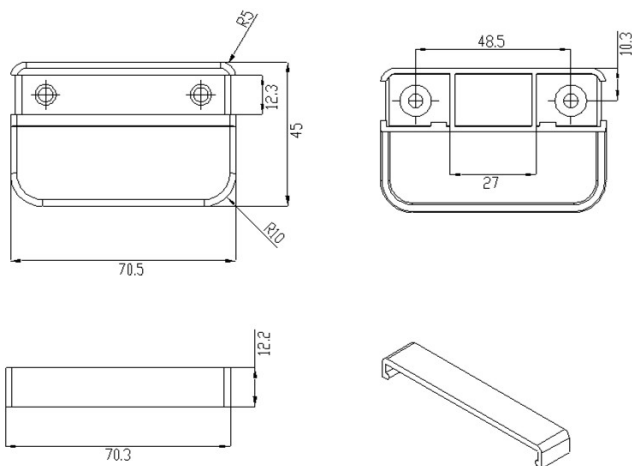

blaugelb ®

Product features:

The blaugelb Drawer pull PVC for use on balcony doors is a simple and contemporary solution. Its low overall height makes it a viable alternative even where there are close-fitting roller shutters. After the blaugelb Drawer pull has been fitted, the balcony door can be opened simply by pulling it. The corners of the blaugelb Drawer pull are rounded. The screws of the blaugelb Drawer pulls are concealed by a clip-on cover and can be screwed in on one or both sides.

Product benefits:

- Elegant solution for the balcony door
- Practical clip-on cover for concealed screws
